AS3D-Plug&Play Display Totem

All measurements are in millimeter. Images are simulated and for illustration purposes only.

- Type › Display Stele
- Mount › Floor Stand
Wall Installation
Floor anchoring
- Orientation › Portrait
- Housing › Metal & Tempered Glass
- Color › Black
- Weight › 200KG
- Screen Diagonal › 65 inch
- Aspect Ratio › 9:16
- Resolution › 2160x3840
- Display Colors › 1.07 Billion colors
- Refresh Rate › 60Hz
- Display Area › 804(H) x 1428(V) mm
- Brightness › 800 cd/m² (full white)
- Contrast Ratio › 1400:1 (typical)
- Response Time › 5 ms (typical)
- Sound System › stereo amplifier with
2x 15W surface sound transducers
- 3D Filter Type › Lenticular
- View Number › 9 views
- Viewing Distance › 2.5m - 5.0m
- 3D viewing Angle › ca. 120°
- Power supply › 100 ~ 240V AC, 50~60Hz
- max. Power Consumption › 500W
- Operating Ambient Temp. › 0° to 35°
- Storage Temperature › -20° to 60°
- Operating Ambient Humidity › 10% to 90%
- integrated Playback PC › Intel i7 10700, 32GB DDR4 RAM, 500GB m.2 / NVMe
SSD, NVIDIA RTX4070 Ti 12GB graphics,
802.11b/g/n/ac wifi + BlueTooth, LTE Module,
Windows 10 Enterprise IoT EN
- 3D Interactive › Unity3D, United Screens ModelViewer
- 3D Video Player › United Screens ioPlayer 2.0
- 3D Video Formats › 9-Tile, 9View Multi-Stream, 2D+Depth
- Accessories › Touch-Terminal, Passepartout, Foiling
- Support › TeamViewer
